## 01 Who we are

PT Vakansi Media Global is the company behind DAYS, a travel concierge for people who travel because of something: a festival lineup, a race weekend, the urge to go somewhere wild.

We don't sell trips off a shelf. Every DAYS package is built around one moment, like Glastonbury in June, a Grand Prix weekend or a week in the Bornean rainforest. We handle the logistics so you can be fully there when it happens.

We're based in Tebet, South Jakarta. Our travellers are Indonesian, and we build for Southeast Asian routes, time zones and cultural references. The company is licensed as a travel agency (*biro perjalanan wisata*) and a tourism information provider, with management consulting in its registered scope.
