WHO WE ARE

Travel with personality.

Perjalanan dengan karakter.

Music festivals are our core. DAYS is the only travel company in Indonesia built around festival journeys, and one of very few in the world. Around that core, we plan premium, approachable trips for Indonesian travelers aged 25–55: Formula 1 and Grand Slam weekends, cities, nature and slow travel.

Every trip is designed around interests, thoughtful choices and the people you travel with, in a voice that is curious, warm, confident and considered.

Festival musik adalah inti DAYS: satu-satunya perusahaan perjalanan di Indonesia yang dibangun di sekitar perjalanan festival. Untuk keluarga, teman, solo traveler, dan grup.

Our promise: make it feel personal, make the details clear, and leave room for the unexpected moments that make a trip yours.

WHY BOOK WITH DAYS

"We are not just agents; we've tested and vetted every aspect of the cities we suggest."

Our team has years of experience managing visa applications and has personally explored the destinations we recommend, so every suggestion comes from first-hand knowledge rather than a brochure.

INDONESIA ↔ EUROPE

ADE 2026 Asia Hub panel, Amsterdam. Sabrina Moelyono spoke on "Connecting the Dots", on regional scenes and touring across South Korea, Thailand and Indonesia (22 October 2026).

Nusantara Elsewhere, Jakarta. A pre-event talk leading up to the ADE 2026 departure, bringing Jakarta's scene into the conversation.

BRAND ARCHITECTURE

One DAYS. Five collections.

Satu DAYS, lima cara berangkat. The wordmark stays constant; the color and collection name tell travelers what kind of trip it is.

Let the reason for the trip lead.

Every trip gets one primary collection, chosen by its main motivation. Other experiences on the itinerary appear as supporting interests.

THE TRIP	LEADING COLLECTION	WHY
A trip built around a festival lineup	**Music Festival**	The lineup is the reason to travel. This is our core.
A city break that includes one concert	**City**	The city experience remains the main draw.
A mountain or coastal scenery escape	**Nature**	The landscape and slower discovery lead.
An F1 weekend, a Grand Slam, or a ski, surf or hiking trip	**Sports**	The event or the activity is the reason to travel.
A slow trip for food, wine or a spa retreat	**Culinary, Leisure & Wellbeing**	Gastronomy, wineries or rest shape a slower itinerary.
